Striving to be more like Jesus

24 September 2026

Dear Parent/Carer

Overview of the 2026/2027 School Year

We have prepared an overview of the key events scheduled throughout the school year. Please note that this is not an exhaustive list and there will be additional activities and events added as the year progresses. The events included are those that we are currently able to confirm in advance.

The overview includes all of our church services, to which parents and carers are warmly invited. Sports Day is another key event where we look forward to welcoming families to join us.

Where specific dates have not yet been confirmed, these will be shared with you closer to the time.

Throughout the year, pupils in Key Stage 2 (Years 3 to 6) will have opportunities to participate in a range of sporting events. Some of these will involve whole-class participation, while others may be open to individual pupils who express an interest. Information about these events will be communicated as opportunities arise.

We hope this overview will be helpful in keeping you informed about school life and will support conversations with your child about their learning and experiences throughout the year.

Yours sincerely

L J dumolo.

Mrs Laura Dumolo
